**Sightseeing** Fly from Johannesburg to Livingstone, Zambia and then transfer to Dendro Park by air charter (approx. \$2,200 RT for up to 3 passengers) or vehicle (\$1,000 RT for up to 3 passengers). If you have time, it is worthwhile to spend 1-3 nights at a luxury hotel on the Zambezi River (such as the Royal Livingstone or the Zambezi Sun) and enjoy a river cruise, Victoria Falls, and numerous local attractions. If you fly to Dendro Park (about 1 hour), you will see an unforgettable aerial view of Victoria Falls.

**\*Dendro Park** One of Africa's jewels ... a large, fenced concession (to keep out poachers) with lots of water on the banks of the Kabwe Flood Plain next to Kafue National Park ... offering excellent Cape Buffalo and plains game hunting with 100% success on big-bosser Cape Buffalo since opening to international hunters in 1998. Ken Wilson hunted Dendro Park for Southern Roan, Chobe Bushbuck, and Crawshay's Defassa Waterbuck. You can see what this hunt is like on Sportsmen on Film's DVD, "Zambia Safari: Buffalo and Roan."
